PENDANTS

PROJECT

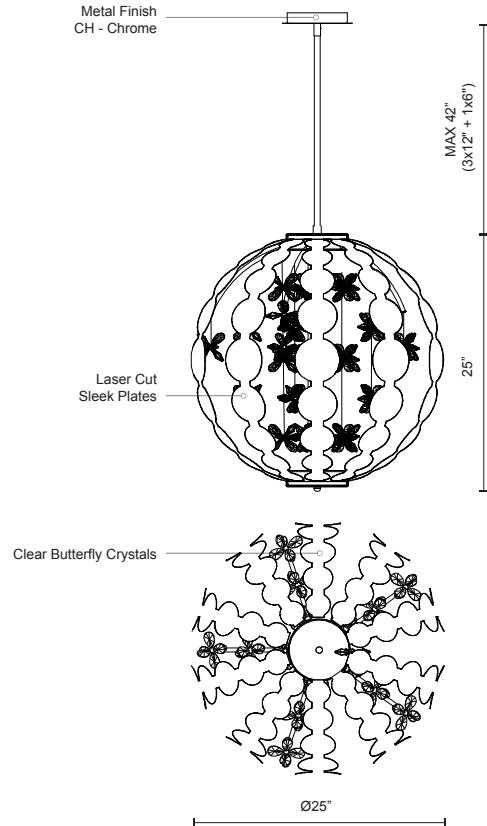

DESCRIPTION

Inimitable designed pendant with sleek laser cut plates formed together to make an exterior sphere shape. Each laser cut band has seven conjoined spheres which band together creating spacing in-between to see into the sphere where hangs multiple elegant clear butterfly shaped crystal strands. When lit the upward and downward lights shine throughout the crystals reflecting unique patterns on the ceiling and surrounding room. Provided with our powerful 120V AC LED technology

SPECIFICATION DETAILS

* For custom options, consult factory for details.
