2-Gang Outdoor While-In-Use Cover for Power Outlets

2-Gang Extra Duty Weatherproof While-In-Use Cover for Power Outlets, Polycarbonate, Flush Mount, Lid – Clear

- SLEEK & LOW-PROFILE DESIGN – Flush-mount clear cover offers a clean, modern look that blends seamlessly into residential or commercial exteriors.
- COMPATIBLE – Recommended for 30A and 50A amp outdoor outlets using right-angled plugs, pairs seamlessly with Leviton's Weather-Resistant EV Outlet.
- DURABLE AND WEATHERPROOF – Extra-duty, UV-resistant polycarbonate construction with NEMA 3R rating ensures protection against moisture, debris, insects and outdoor elements for reliable performance in harsh environments. For a weather-tight seal, apply silicone around the back gasket during installation.
- CONVENIENCE – Built for NEC-compliant outdoor setups, requires a standard 2-gang wallbox for secure installation. (Sold Separately)
- SAFE – Lockable while-in-use cover protects against weather, tampering, and unauthorized access.

Features and Benefits

- Sleek and low-profile design: Flush-mount cover offers a clean, modern look that blends seamlessly into residential or commercial exteriors.
- Code Compliant: Built for NEC-compliant outdoor setups.
- Compatible: Works with 30A & 50A receptacles using right-angled plugs.
- Easy Install: Configurable for multiple round receptacle sizes (1-1/4" to 2-7/16"). Requires a standard 2-gang wallbox (sold separately). For a weather-tight seal, apply silicone around the back gasket during installation.
- Durable & Weatherproof for Outdoor Use: Extra Duty, UV-resistant polycarbonate with NEMA 3R rating ensures protection against rain, snow, and harsh conditions— perfect for driveways and car ports.
- Secure & Safe by Design: While-in-use lockable cover prevents accidental contact and unauthorized access, even during use—ensuring continuous protection and peace of mind.
