D36HD-1BW

Decora Smart Wi-Fi Dimmer Switch, Neutral Wire Required

Leviton's Decora Smart Wi-Fi® Dimmer Switch is an affordable solution that makes it easier than ever to create an elegant ambiance in your home. The D36HD provides full range dimming performance and custom settings for preset light levels, fade rates, and bulb types and is rated for dimmable LED, CFL, and Incandescent loads up to 300 watts or MLV loads up to 300VA. Easily control this smart dimmer from another wall location in your home using DD00R Wired Dimmer Companions or DAWDC wire-free Anywhere Dimmer Companions. Connect to your smart home platform of choice - works with Matter, Amazon Alexa, Google Home, Apple Home, Smart Things, Home Assistant, Sonos, Resideo and more. Use the My Leviton app on a smartphone, tablet or computer to control lighting or adjust schedules when away from home. The D36HD Wi-Fi Dimmer Switch features wire leads and a slimmer product depth for easier installation, plus a streamlined app setup flow. Neutral wire required. 2.4 GHz network compatible.

BENEFITS

- **Create an elegant ambiance** - set the mood for dinner, dim the lights to create a movie theatre experience, turn the lights down low to wind down for bedtime
- **Know if lights are on and adjust whether you're home, at work, or on vacation** - control from anywhere
- **Set it and forget it** - Use the My Leviton app to schedule your lights to turn on when you want
- **Personalize your lighting** - customizable fade rates that gradually turn lighting on or off, or preset light level options to make sure lights always come on at the level you want
- **Use your voice for control without lifting a finger** - works with Google Assistant, Amazon Alexa, and Apple Siri
- **Automatic softer lighting at night** - perfect in your kitchen for a midnight snack or in your bathroom, using My Leviton Night Settings
- **Prevent flickering lights** - designed for compatibility with dimmable LED bulbs and fixtures with settings to fine-tune performance such as bulb type, min dim, and max bright
- **Don't worry about leaving lights on** - auto-shutoff can turn lights off for you in rooms such as the bedroom, living room, family room, dining room, and kitchen
- **Make it look like someone's home when you're away** - turn on lights randomly for a lived-in look
- **Control this dimmer from another wall location in your home without additional wiring** - pairs with DAWDC or DAWSC Anywhere Dimmer or Switch Companions

FEATURES

- **Full range dimming** - on/off and dim/bright control of dimmable LED and CFL, Incandescent/Halogen, and MLV lighting

- **The most connected** - Works with Alexa, Google Assistant, Apple Home, SmartThings, Home Assistant, Sonos, Resideo, and is Matter ready out of the box
- **Easy Install** - replaces your existing switch; wire leads and slimmer design at 1.09" make install a breeze
- **Smart Bulb Mode** - can be enabled with the My Leviton app to modify the Off button to maintain power for Smart Bulbs, Floodlights, Cameras
- **Simple guided setup** - works with the My Leviton app, create schedules, activities, lighting scenes and more
- **Let there be light** - double press the top rocker to quickly snap on at maximum brightness; or double-press bottom rocker to snap OFF
- **Lights won't glow when you turn the dimmer off** - "Off Means Off" technology ensures low-wattage LED bulbs don't glow in the off state
- **One switch, many options** - use as a dimmer switch or an on/off switch via non-dimmable bulb mode
- **Single Pole or 3-Way** - works with DD00R Wired Dimmer Companion, DD0SR Wired Switch Companion, DAWDC wire-free Anywhere Dimmer Companion, or DAWSC wire-free Anywhere Switch Companion
- **Change the color** - using D3KIT swappable faceplates available in six colors
