Do you have a question about a relay panel or lighting control system?

UPC Code : 078477666951

Country Of Origin : Mexico

Technical Information

Electrical Specifications

Voltage : Battery

Voltage Type : Battery

Product Features

Product Line : GreenMAX

Product Type : Handheld Display Unit (HDU)

Protocol : LumaCAN

Features and Benefits

- Manage the GreenMAX system(s) remotely from any network device location
- System configuration and scheduling is performed via the HDU – this can be done while standing in the room or controlled space; programming is no longer confined to the electrical room
- Control entire GreenMAX system from any accesspoint – relay cabinets, switches, or remote low voltage cabinets
- One HDU can be used for multiple systems
- Can be stored in the cabinet or designated docking station
- Communicate via LumaCAN
- 7 hour run time on a single full charge (batteries included)
- Astronomical clock - sunrise/sunset
- HDU does not need to be connected to system during operation. Full system functionality is provided independent of HDU
