Color Change Faceplate with LED locator for VPT24

Easily refresh the look of your timer switch with this color change faceplate, designed exclusively for Decora 24-Hour Programmable Timer Switches. Whether you're updating your décor, coordinating colors across a room, or replacing a worn faceplate, this accessory offers a fast and affordable way to give your timer switch a clean, customized finish—without replacing the entire device. Installation is quick and tool free. Simply remove the faceplate from the switch and snap on the new color in seconds. No wiring, no configuration, and no technical experience required. Ideal for homeowners, renters, remodelers, or anyone looking to add a polished, personalized touch to their lighting controls. Available in five designer colors—white, ivory, light almond, gray, and black—these replacement faceplates match seamlessly with Decora style devices throughout your home. Pair with a coordinating Leviton Decora wallplate to maintain a consistent, modern aesthetic and perfectly complement your room's paint, trim, or existing fixtures.
