Specifications

Primary brand	NOARK
Main function	Handle
Product series / family name	Industrial controls > Manual Motor Starters (MMSs) > Accessories > Rotary handles
Sub-range name	Ex9S32 series
Functions	Extended rotary handle
Design	Emergency STOP (E-Stop) 9" / 230mm shft. size
Color	Yellow Red
Degree of protection	NEMA 4 NEMA 4X IP65
Technical compatibility with	Ex9S32 mtr. starter
Order code / Manufacturer SKU	ERH51Y 1600087
Manufacturer product status	Commercialized
Equivalent to	1600087

Benefits

The extended rotary handle makes it possible for a door-mounted rotary handle to operate starter installed on the inside back panel of an enclosure.

All rights reserved 2016-2026 to KYKLO and products.na.noark-electric.com

The extended rotary handle consists of the following
- a set of screws onto the handle of the starter
- an assembly (handle and front plate) that fits on the enclosure door
- an extension shaft which must be adjusted according to the distance between the mounting surface and the door 9 inch (230 mm)
- a bracket that install with starter and the shaft through
